RACER REGISTRATION • RULES

**SAFETY**

Every driver and pusher must wear the following:  
Helmet (bicycle or motorcycle) – each racer must have their own.  
Gloves – each racer must have their own – must be worn for every race pushing and driving.

**NO GLOVES – NO RACE**

Pants/Jeans – NO SHORTS!  
Closed toe shoes – required – NO SANDALS!  
Knee and elbow pads are optional, but recommended.  
Long sleeve shirt – optional but recommended.

**PUSH CART:**

Cart must be equipped with the following safety items:  
Seat belt – must be safe and must fit the racer appropriately.  
Brake  
**Steering Stops – REMOVED. This is not a downhill race. You will need to steer the cart.**

**OPERATION DURING EVENT:**

Use your legs to steer the cart.  
Use the hand brake to slow down or stop the cart. **DO NOT USE YOUR FEET TO STOP!**  
**Driver is in charge of pushcart. Pusher MUST LISTEN & stop pushing immediately at driver's request!**  
The winner is determined by the Finish Line Judge.  
After crossing the finish line, grab the hand brake at the marked braking line and clear the course.  
**DO NOT remove** safety gear (gloves, helmet, seat belt, etcetera), until you are out of the course area.  
Parent or guardian must be present for the duration of the event.  
**Any unsportsmanlike conduct by a scout, parent or guest will result in removal from race event.**  
**All scouts, families and guests must act accordingly.**

**CART SPECIFICATIONS:**

**Any Pushcart kit produced can be used so long as it has the appropriate safety requirements**  
Oversized carts that do not fit properly through course lanes may be excluded. If you are not sure, PLEASE ask ahead of time.  
We especially encourage the re-use of the pushcarts created for the Pack 271 Pushcart Derby Race.  
Do not add weights of any kind.  
Must use wheels supplied in kit, (unless pushcart was not obtained through Pack 271) – NO bearings allowed.  
Wheel collars can be lubricated – NO modification to axles.  
Any modification that can render a cart unsafe will not be allowed.  
Personalization such as: seat pads/covers, painting, decals, and reflectors are allowed if they meet safety standards.  
Cardboard number plates, flags, covers, panels and fairings are allowed as long as they are secured safely.  
After safety check on the day of the race, there can be NO alterations made or the cart will be disqualified.  
Pit Crew has final say on whether or not a cart is safe to race and can do so safely through course.
